

Let us Pray

1. We will learn to pray honestly and sincerely to a God before whom nothing is hidden.
2. Our eyes will be opened to the need around us and we will learn to trust him in the full knowledge that he knows all and what is needed and most feasible for us.
3. We will hear God's voice and will have the courage and be active to proclaim his message and not be passive watchers.
4. We will learn to have a faith which pleases God.
5. We will proclaim the message of God in the full knowledge that He will perform and accomplish what He has promised.
6. God will raise a people who will grieve at injustice, exploitation of fellow human beings, violence, and so on.
7. God will give us grace to act out His word in our lives and that we will be living examples of the hope God has placed in us.
8. God's name and reputation will be proclaimed in this day and that we will be His active witnesses.

Thrust area: Caring & Growing

1. God will make us people who are sensitive to the real needs of people and genuinely care for them, especially in these pandemic days.
2. We will respond to the needs of our members as well as the student community at large. Rather than searching for a neighbor, let us through our concern and compassion, be the neighbor to many around us.
3. More than our programs and activities, the students will know God and experience God's love, through our actions and lifestyles.
4. We shall abide in Him, remain in Him and thus bear fruits, that will last.
5. May His kingdom be established in India, through UESI as we minister to the campus students and reach them, care for them and nurture them to grow in His likeness.
